PLEASE JOIN CLA FOR A THREE DAY WORKSHOP ON ADAPTIVE LEADERSHIP

Learn to Lead Adaptively!

Dubai, May 6-8, 2012, Jumeirah Emirates Towers

The capacity to adapt is more important than ever before.

CLA's Adaptive Leadership framework comes from 30 years of research and application by Harvard University Faculty.

Companies across the globe are currently using these tools and tactics to help solve their toughest challenges and thrive in ever changing environments. The workshop is designed for executives and managers who desire to have greater impact by developing and strengthening both their personal and organizational leadership.

Over the course of the workshop, you will apply new tools and strategies to move your organization off status quo. You will:

- Internalize a new set of ideas and tools to mobilize consequential change.
- Apply the concepts directly to a current business challenge.
- Develop a portfolio of new strategies to tackle your toughest challenges.
- Learn to diagnose the adaptations and competencies needed to capture emerging opportunities.
- Regain hope and excitement for what is possible surrounded by peers in similar circumstances.
